

The Potters

Heroes of the Faith

Every story is different.

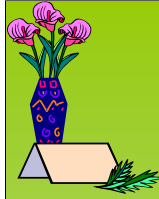

But there are two things
every story has, a
beginning and an ending.

Our story like every story has
a beginning.

Our story began in 1986... on August 2, when we were married.

Well, our fifth anniversary
came quickly

And we were ready to
have a child. But our
sixth, seventh, and
eighth anniversary came
and still no child.

By our 15th anniversary we were feeling that having a child may not be what God had planned for us.

It was then that God
called us to the
mission field.

We came to Africa in
September 2000 and
enjoyed working in the
school and with the
children. Missions work was
right for us.

On May 18th, 2002 after 15 years and 10 months of marriage we learned that we were expecting our first child!
We had to get ready!

On January 1, 2003 at
11:25 Jordan was born,
God had blessed us with a
beautiful baby boy!

To God Be the Glory!
