How do we get started?

Step 1: Contact Our Commercial Representative, Marla Ash 1-888-573-7986

Marla will help you set up your account and answer your questions for the first 30 days

Step 2: Quote our discount code: TC1 2006

Step 3: Enjoy the savings

After the first 30 days, Tiffany Hamilton will manage your account and answer your questions. To reach Tiffany call 1-888-310-1924, choose option 1 then option 3 for commercial customer.

Frequently Asked Questions:

Why do churches have different savings rates?

Your existing pricing currently varies based on your location with the distribution costs associated with that, your existing volume, and your delivery needs.

Who else has access to this discounted rate?

This rate applies to the church parsonage as well. If the church is an Irving Oil customer then one pastor or staff member from the church can have access to these discounted rates at their personal residence.

If you have any questions or concerns contact Priscilla Cochrane, Fellowship Services Relationship Coordinator at 905-542-7400 ext 7429 or email at priscilla.cochrane@paoc.org
