

A woman wearing a patterned sari and glasses is sitting in profile, reading a book. She is positioned in front of a window with metal bars. The lighting is dramatic, with strong highlights and deep shadows. The overall mood is contemplative and serene.

PERSECUTION IS REAL. IT IS A DAILY REALITY FOR MORE THAN 260 MILLION CHRISTIANS WORLDWIDE.

Every year, the World Watch List is produced which ranks the top 50 most dangerous countries to live in as a Christian. The World Watch List is based on a comprehensive scoring system that measures the degree of freedom Christians have in five key areas of life – private, family, community,

national and church life. These are then added to the amount of violence they experience to provide a final ranking.
