2023 Ride to Thrive Resource

SETTING UP YOUR Facebook Fundraiser

Facebook Fundraisers are a great way to get your family and peers involved in your Ride to Thrive. It's an easy and fun way to raise awareness for children attending preschool at Village of Hope schools!

1. Access your Facebook account.

Log into your Facebook account and go to “Fundraisers.” You can find the fundraisers tab by clicking beside your profile or on the direct link on the left side of your web page.

2. Select a non-profit.

Simply search for “Pentecostal Assemblies of Canada” in the non-profit selection section and select the PAOC!

3. Set up the initial fundraiser.

Customize your fundraiser to be specific to your personal campaign. Set a goal (example \$200-\$500) and an event date, which is also the day you finish your fundraiser. Then explain why you're participating in the 2023 Ride to Thrive.

Once your Ride to Thrive is in full swing, feel free to increase your fundraising goal if you meet that. The more you raise, the more children can attend preschool!

4. Complete your donation page.

Add a title to your fundraiser. You can use “**FIRST NAME’s Ride to Thrive**” or create something witty that would engage your family and friends. Add a photo of yourself in action or feel free to use one of our photos found [here](#).

5. Share your fundraiser.

Press save and start sharing the link and page with your friends and family. Send us a link to missionglobal@paoc.org, so we can share it on our platforms!
