We are a smaller fellowship of Believers. We are dedicated to inviting, including, instructing, inspiring and investing in our community and region. We believe that the Church needs to “go and make disciples of all peoples”. Our efforts over the past few years have helped us to gain a positive reputation in our community and we want to continue and increase that. We desire to see the Church in Stettler revive “the Heart of Alberta” so that people from all walks of life will commit their lives to Jesus Christ.

We desire to be a soul-winning, disciple-making church. We plan to be a place where people can find healing, wholeness, acceptance and a life-changing, eternal transformation. We want to reach out in love to our neighbours in Stettler and Region. We plan to develop our Congregation into devoted

followers of Jesus Christ. Our church is on the path of renewal and revitalization and we are expecting great things in this next season of our church.
