

Lead Pastor, New Life Assembly (NLA)

## Church and Community

NLA is a church located in Killarney, a lake town in southern Manitoba with a population of around 2,500 people. This farming community is also located approximately 25kms from the US/Canadian border. There are many services available such as private (Christian) and public schools, hospital, dentists, optometrists, shopping, library and recreation centre. There are a wide variety of activities offered in the community for young and young at heart - hockey, baseball, boating, fishing, bowling, tennis, pickleball, roller skating and a fantastic 18 hole golf course just to name a few! There is also a vibrant Arts community here, with many live music events all year long.

Our church building is a newer build that was added onto the original building in 2003. We have a great space in the basement attached to a kitchen that can be used for both church and community functions. Our congregation is multi-generational. We currently have a children's ministry program that runs on Sunday mornings as well as an adult mid-week bible study. We have a desire to see more small groups form for mid-week studies and have offered a youth drop-in program on Friday nights in the past.

## Job Overview

Love God  
Love People  
Make Disciples

We have these words displayed in our main sanctuary as a mission statement for our church. We are looking for someone who has a heart for these and would like to partner with us to see this continue to happen in our community.

A more detailed job description and salary base will be given during the interview.
