

Next Gen Pastor (Full-Time)

Maple Creek Family Church – Maple Creek, Saskatchewan

Maple Creek Family Church is a welcoming congregation of about 80 people with a deep passion for worship, the presence of God, and seeing the next generation encounter Jesus. We treat one another like family and have a genuine heart for our community in southwest Saskatchewan's true cowboy country.

We are looking for a **full-time Next Gen Pastor** who is passionate about raising up the next generation to know and follow Jesus. You would primarily oversee our youth and kids ministries (Kids Church, Kids Connect, Sunday School, and Youth) by equipping and mentoring volunteer teams and leaders. While teaching, preaching, and planning are part of the role, you won't carry everything alone—you'll work in partnership with our Lead Pastor and the existing teams of volunteers.

This position offers significant freedom to shape the ministry around your unique skills, calling, and dreams. Whether you want to try fresh ideas, launch new outreach, or bring a wide variety of ministry experiences, there's room to innovate while staying rooted in discipleship and revival.

What the Role Involves:

- Partner closely with the Lead Pastor through weekly prayer and staff meetings.
- Develop and implement an annual ministry plan birthed from God-given vision for the Next Gen.
- Mentor and develop current leadership teams while raising up new volunteers and leaders for kids and youth ministry.
- Cultivate life-changing ministry that introduces children and youth to Jesus and guides them into authentic discipleship (e.g., community youth nights, Bible studies, Youth Alpha, etc.).
- Handle related administrative tasks such as budgets, waivers, reports, and church rentals. Depending on your skills and interests, you would also contribute to social media, promo videos and website upkeep.
- Participate in broader church life: preach occasionally on Sundays, help with annual community outreach events, join worship nights, games nights, and pursue revival together as a church family.

About Maple Creek & Our Church

We are a diverse, multi-generational church with people from a wide range of ages and ethnic backgrounds. Our heart is to see lives transformed by the Gospel, both inside the church and out in the community. We are a Pentecostal church affiliated with the Pentecostal Assemblies of Canada (PAOC).

Maple Creek (pop. ~2,200) is located in the beautiful southwest corner of Saskatchewan—only 1 hour from Medicine Hat and 1.5 hours from Swift Current. You're just 20 minutes

from Cypress Hills Interprovincial Park, with endless opportunities for hiking, camping, fishing, hunting, quadding, horseback riding, and more. It's known as the warmest place on the prairies in winter, and the community is incredibly welcoming. If you love the outdoors and building genuine connections in a smaller-town setting, this is a fantastic place to put down roots and immerse yourself in the culture.

Who We're Looking For

- A clear, growing personal relationship with Jesus Christ.
- A heart that aligns with our passion to reach the next generation, help people encounter God and pursue revival.
- Strong communication and leadership skills.
- Previous ministry experience is an asset but not required—we value calling and character above all.
- Tech-savvy is an asset
- Someone who is willing to pursue credentials through the PAOC and be in alignment with the values and standards set out by the PAOC and adhere to the ministerial code of ethics. (see www.paoc.org)
- We are open to flexibility for a student who wants to begin working while completing education through online or modular programs.

If this sounds like the next step in your calling, we'd love to hear from you!
