Next Generation Pastor

Valley Church is a growing and vibrant faith community located in Drayton Valley, home to over 7,000 residents. We are passionate about helping people find and follow Jesus and are committed to seeing lives transformed through salvation and discipleship. God is moving here, and we are just getting started!

One of our greatest priorities is investing in the next generation. Over the past few years, we have intentionally built strong ministries for children and youth, and today, more and more families with kids and teens are making Valley Church their home. We are seeking someone who shares this passion and is ready to help us take the next step in reaching and discipling the next generation.

About the Role

We are looking for a Next Generation Assistant Pastor who is deeply committed to helping children, teens, and their families grow in their relationship with Jesus. - Understands the unique challenges of raising the next generation in faith today.
- Is passionate about evangelism and discipleship in a modern context.
- Enjoys building teams, developing leaders, and creating lasting ministry impact.
- Thrives in a collaborative environment and wants to see Drayton Valley transformed by the Gospel.

- Plan Outreach Events: Organize quarterly events for children, youth, and families to connect with the wider community and share the love of Jesus.
- Cultural Engagement: Understand the culture of our church and community and find ways to engage in the broader community.
- Collaborate with the Lead Pastor: meet regularly with the Lead Pastor and assist with church-wide responsibilities and leadership as needed.
