SERVE CAMPUS

Establishing Jesus-focused campus communities

THE MISSIONAL GAPS

IN THE NEXT 5 YEARS

Need for new university and college campus ministries and workers in both urban and rural communities.

CAMPUS REACH

38 campuses are currently being reached by SERVE Campus Network.

WORKERS

A need for more campus workers and training in rural and northern communities while also ensuring there is more diversity in the leaders for representation.

INITIATIVES

GOSPEL REACHING TO EVERY NATION

With 2,000,000 students across Canada 300,000 being international, there are opportunities to reach students who can bring the gospel to their country of origin.

BRIDGING THE GAP

Supporting students transition from high school to postsecondary education through mentorship and the Life Launch resource.

PLANTING NEW MINISTRIES

Begin new campus ministry expressions and initiate Red Frogs support programs to enhance student life and create a positive peer presence.

LEADERSHIP DEVELOPMENT

Focused on providing mentorship to students, leaders, and campus-apprenticeship opportunities.

PRAY FOR

Courage and wisdom, opening hearts to share and accept the gospel.

Abundant provision of resources and leaders to expand ministry in urban and rural campuses for students to encounter Jesus.
