

## Week of December 2, 2019

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

### **Campus Ministry CANADA**

More than two million young adults are currently enrolled in a Canadian college or university. Continue to pray that the hearts of unreached students and leaders will be open to encountering God. Pray that those who were raised in Christian families will not wander away from the foundation of faith in their lives, and will be strengthened and empowered to demonstrate or share their faith with those they encounter. Pray for meaningful connections between Christian leaders and university/college administrators, and between mentors and students engaged in campus ministry throughout Canada, including those serving with the PAOC SERVE Campus Network. Pray also that God will guide all of the students in their studying as they approach exam time.

### **Stefan & Barbara Sos WORLDWIDE**

May God bless and spiritually, mentally, emotionally and physically strengthen Stefan and Barbara as they minister. Pray for guidance and wisdom in regards to scheduling and their ministry, and for safety and protection as they travel. Pray also for the continued outpouring of the Holy Spirit in crusades, and that many people will be reached with the gospel message.

### **Jeff Snow CANADA**

Pray for Jeff, a Mission Canada worker, serving at Ontario Tech University and Durham College in Ontario. Jeff provides spiritual direction and support to students on these campuses in the east end of Toronto, and works with the Campus Church team, a student-led ministry. Pray that God would guide and bless Jeff's efforts as he connects with students and meets with them for times of discipleship. Pray for Christian students to remain strong in their faith so they can influence others. Pray also for increased support both for Jeff and for the multi-denominational campus church, as well as for open doors with the chaplaincy department.
