

PAOC
PRAYER
YOUR WEEKLY UPDATE

Week of November 11, 2019

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

REMEMBRANCE DAY

We honour the memory of Canadians who have lost their lives in military service and ask God to continue to strengthen and encourage those still in mourning. We honour our veterans and pray that God will continue to grant them emotional healing and support and provide for their physical needs. We pray that God will continue to grant strength, wisdom, protection and favour to those currently in service, and encouragement to their families.

BRITISH COLUMBIA & YUKON DISTRICT

Pray for everyone who will be attending “SENT,” the young adults gathering being held at the University of British Columbia in Vancouver, B.C. on November 16. May they have opportunities to connect and build relationships with one another as they gather to work out the unique purposes God has for their lives. Pray also that God will open doors to help them use what they learn in a significant way to serve and reach their communities and the world for Christ.

EASTERN ONTARIO & NUNAVUT DISTRICT

Pray for unity and meaningful fellowship for the women attending the “Derailed” All In Leadership Conference on November 16 at Christian Life Centre in Ajax, Ontario. Pray that God will grant them His vision for spreading the gospel throughout their communities, and equip them with all they need to meet spiritual and practical needs. Pray for blessing to extend to each of their families as a result of their time together. Pray also for the speaker and musical worship team as they prepare for this gathering.

Gary & Marilyn Skinner

UGANDA

May God bless and spiritually, mentally, emotionally and physically strengthen Gary and Marilyn as they minister as the pastors of Watoto Church in Kampala, Uganda. Pray for peace and political stability throughout Uganda as it battles HIV/AIDS, war and poverty. Pray also that many people will experience God’s healing, restoration, and the hope found in Christ.
