

PAOC
PRAYER
YOUR WEEKLY UPDATE

Week of October 15, 2018

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

WESTERN ONTARIO DISTRICT

The Western Ontario District Conference is taking place this week in Niagara Falls, Ontario. Pray that leaders will be encouraged and receive clear direction from the Lord as they worship God, pray together and share ideas with each other on reaching their communities for Christ. Pray also for safe travel for everyone attending.

BRITISH COLUMBIA & YUKON DISTRICT

Campus workers will be sharing their experiences and insight at various district churches on Campus Ministry Sunday (October 21). May the campus workers be encouraged and empowered as they speak. Pray that host churches will be blessed by the experience and that meaningful connections will be made between the churches and the workers. Pray that, as the workers minister to students on the university and college campuses, they will be able to see and meet the practical and spiritual needs of students as they build relationships with them. Pray also that students will be open to the gospel as it is presented to them.

UNITED STATES & CENTRAL AMERICA

Pray for communities impacted by Hurricane Michael, which caused at least 33 fatalities (at least 15 in Central America). Pray that God will comfort those in the affected areas, whether they have been injured, lost family or friends, or lost their homes. Pray that food, water, and aid supplies will get to where they are needed, and that power will be restored. Pray also for wisdom for government authorities in responding to people's needs, and that many people will have opportunities to hear and receive the gospel.

Dan & Mardell MacTavish ROMANIA

May God encourage and strengthen Dan and Mardell as they minister to the people around them. Pray that God will bless them with the ability to serve well in diverse and abundant ministry opportunities. Pray that God will call more national and international workers to support and advance ministries throughout Romania, and for the establishment of the next generation of ministry leadership. Pray also for the self-sustainability of "Reaching Out Romania" with the successful development of their agricultural land.
