

Week of September 17, 2018

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

HURRICANE FLORENCE & TYPHOON MANGKHUT

Please pray for the millions of people impacted by Hurricane Florence in the United States and Typhoon Mangkhut in the Philippines, Hong Kong and China. Pray for comfort and peace, and that food, water, fuel and aid supplies will get to where they are needed. Pray also that those who need medical attention will receive it quickly, and for strength and wisdom for all of the first responders.

WESTERN ONTARIO DISTRICT

Several youth pastors will be attending the Fall Forum on September 20 at PORTICO in Mississauga, Ontario. May God use what they learn to help them grow and build great teams in the youth ministries they serve. Pray that He will also use what they experience to encourage them and impart wisdom moving forward. Pray also that these youth leaders will continue to be empowered in their God-given gifts and talents to make an even greater impact in the lives of youth for the kingdom.

PAOC CHURCHES & MINISTRIES

May God pour out His Spirit in a vibrant and powerful way throughout churches and ministries across Canada this fall season. Pray that congregations will grow in their understanding of the Word, in their relationship with God, in their relationships with one another, and in their passion and desire to reach their communities for Christ. Pray that many people will encounter God in a new, fresh and loving way and decide to follow Jesus, and that they will be empowered by His Spirit. Pray also that pastors, leaders, staff and volunteers who serve will be encouraged and strengthened, and that God will bless them with wisdom and guide them in making a tremendous spiritual impact.

Michael M. EURASIA

Pray that God will bless, encourage and strengthen Michael as he works with and ministers to the people around him. Pray for open hearts and minds among the Muslim people. Pray for favour with authorities and leaders in the communities where Michael serves. Pray also for more young, vibrant indigenous leaders to arise in the church.
