

Week of September 9, 2019

Join us this week in praying for these specific needs in our nation, our world, and in our PAOC family of workers, both internationally and in Canada.

CANADA

This fall, approximately 2,000,000 young adults are enrolled in a Canadian college or university. Pray that the hearts of students and leaders would be softened and opened to the gospel, and that believers on campus will be granted the boldness they need to share it with those who have never heard it. Pray that those who were raised in Christian families will not wander away from the foundation of faith in their lives. Pray also for meaningful connections to be made between Christian leaders and university/college administrators, and between mentors and students engaged in campus ministry throughout Canada, including those serving with the PAOC SERVE Campus Network.

SASKATCHEWAN DISTRICT

Pray for everyone attending the District Prayer and Fasting Retreat at Living Waters Camp in MacDowall, Saskatchewan, from September 10 to 11. Pray that people will be inspired and encouraged in their prayer lives through their days together. Pray also that the Holy Spirit will touch their lives in a powerful way as they share God's Word together and have time for peaceful reflection and refreshment in God's creation.

ERDO

Pray for all of the ERDO ChildCARE Plus programs and the over 8,200 children that are currently benefitting from education, improved nutrition and spiritual nurture. Pray also that more people would step forward to support the children who are not yet sponsored.

Dale & Carolyn Ruttan

HONDURAS

May God bless Dale and Carolyn with wisdom and direction as they serve on various projects, and as they love and care for many people. Pray for protection as they and their team present the hope of His message in some of the most dangerous areas of the city of Comayagüela. Pray for God's continued favour among the public school system as they teach His truth. Pray also for blessing and guidance for their children in Canada.
